

What does the League mean to you? Recently we received this note from Ann Molod, a longtime Leaguer:

April 30, 2011

Dear Ms. Swietek,

Enclosed – my dues check- and a little bit more to “sweeten the pot”! I live away from West Hartford part of the year – and am now past 80 years of age – so I do not continue to do much volunteering – too hard to schedule me. The League, however, has always been dear to my heart and I have belonged here since 1966, and in other Leagues before that. Use the little extra in this check to do what the League of Women Voters has always done so well. My very best wishes to all involved.

Most sincerely,

Ann Molod
